Hi Joanne,

Thanks for verifying this. I may have seen it somewhere else. I will talk to Fernando tomorrow to see if he knows about this. I also asked for an income/expenses statement for the garden's account in the public works trust fund.

Hi Luz,

We were able to find the attached documents from the Secretary of State. Apparently, the Mayor's Advisory Committee established the Tillman Japanese Garden Visitor's Center Foundation as a Non-profit 501(c)3. The current Chairman of the Advisory Committee, Judith Hershberg is listed as the Chief Executive Officer, Betty Ethridge is listed as the Secretary and Gene Green as the Chief Financial Officer. We could not find a 990 in Guidestar.

We will need to understand the relationship of the Tillman Japanese Garden Visitor's Center Foundation and The Japanese Garden Mayor's Advisory Committee

Joanne
